## HOW DID I DO?

1	It wasn't right.
2	Getting closer.
3	It was okay.
4	Almost there.
5	Perfect!

I'm working on  
my sound...

- By itself
- In words
- In sentences
- While talking

I can do it...

- By myself
- With some help

## REFLECTION

- What am I doing well?
- What is going wrong?
- How could I improve?
- Why is this important?
- How hard am I working?

## Needs Work

Sounds like a  
different  
sound  
Sound  
missing

2

## Getting There

Sounds more  
like another  
sound than  
the right  
sound

3

## It's Okay

Right in the  
middle  
Not totally  
clear

4

## So Close...

Sounds really  
close  
Just slightly  
different

5

## You Got It!

Sounds  
perfect  
Sounds just  
like others
